

# ROCKLESS TABLE

## TABLE BASE ASSEMBLY INSTRUCTIONS.

### CONGRATULATIONS ON ENDING WOBBLY TABLES FOREVER!

The assembly of Rockless Table bases to your table tops is simple. The process remains the same for all models except our t-base (two legs). Follow the detailed instructions below to ensure proper attachment of the base to your table top.

**\*TABLE TOP NOT INCLUDED.**

**1**

**YOUR TABLE BASE IS MANUFACTURED WITH 4 SCREW HOLES.**

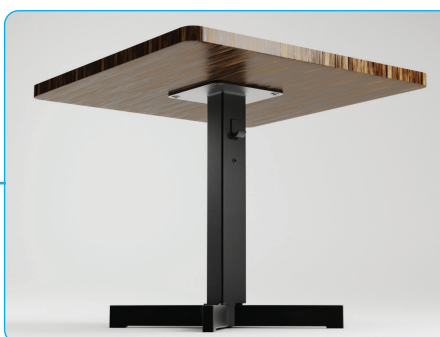

**2**

**BE SURE TO PROPERLY MEASURE AND SECURE TO THE CENTER OF YOUR TABLE TOP. THIS IS CRUCIAL TO ENSURE STABILITY.**

**3**

**SECURE THE TABLE TOP ONTO THE TABLE BASE USING 12x 1" OR 10 x 3/4"m SCREWS.**

**4**

**INSPECT THAT THE TABLE BASE HAS BEEN ASSEMBLED CORRECTLY:**

The table top must be sturdy and centered onto the table base.
